What We Expect:

- We expect residents to follow rules. There's a "Rules, Policies, and Procedures" form that residents sign agreeing to the expectations.
- We expect residents to set goals and achieve privileges. There's a "Phases and Goals" form that set resident's goals and explain the privileges they earn along the way.
- We expect residents to be informed about the program. There's an "Orientation Packet" and "Financial Responsibilities" form residents will sign explaining the cost of the program.
- We expect residents to be guided by our leadership.
- We expect residents to complete a self-examination into why they behave the way they do. *Walking the 12 Steps with Jesus Christ* and the Bible are our sources.

"Some sat in darkness and in gloom, prisoners in misery and in irons, for they had rebelled against the words of God, and spurned the counsel of the Most High. Their hearts were bowed down with hard labor; they fell down, with no one to help. Then they cried to the Lord in their trouble, and he saved them from their distress" (Psa. 107:10-14).
